Dirk Langenbach | **Managing Director**

## Role at Lincoln International

Dirk Langenbach is a member of the consumer goods / retail team. His main focus is on leading transaction teams. In addition, he is involved in building and maintaining client relationships.

## Advisory Expertise

Dirk Langenbach has many years of experience in domestic and cross-border M&A transactions, both as advisor to the seller and the purchaser, for standard transactions, leveraged buy-outs and public takeovers, as well as mergers. He has accumulated extensive experience in transaction management (including capital markets deals), e.g. being involved in the global coordinator function of UBS for the stock exchange listing of Deutsche Post. He has acted on behalf of large corporations, mid-cap and privately held companies, as well as private equity funds.

## Industry Expertise

Dirk Langenbach has accumulated industry expertise from transactions in many sectors. In addition to consumer goods / retail, he has worked on deals in fields like building & construction, chemicals, engineering, food ingredients, packaging or transport / logistics.

## Past Affiliations

Dirk Langenbach joined Lincoln International (formerly Peters Associates AG) in 2001. He started his career at UBS Investment Bank in 1996 in Structured Finance working in Frankfurt, London, New York and Zurich. Since 1998, he was a member of the Corporate Finance team in Frankfurt working mainly on M&A transactions including the Vodafone / Mannesmann deal.

## Academic Credentials

After completing a bank apprenticeship at Deutsche Bank in Münster and obtaining an intermediate diploma in business administration at the University of Münster, Dirk was awarded a triple degree (Diplom-Kaufmann, Diplôme Grande Ecole, European Masters) at EAP European School of Management (today known as ESCP-EAP). With German as his native tongue, he also speaks English, French and Spanish.
