

Officer Bio | Ronald A. Kahn

Ronald A. Kahn | Managing Director

Role at Lincoln International:

Ron is co-head of Lincoln International's Debt Advisory Group as well as co-head of the firm's Valuations and Opinions Group. Ron leads capital raising and financial advisory deal teams, manages key client relationships, and markets the firm's services. Ron is widely published and a frequent speaker on capital raising activities.

Advisory Experience:

Ron is co-head of Lincoln International's Debt Advisory Group, where he leads capital raising and financial advisory deal teams and manages key client relationships. Ron's primary area of expertise is advising corporate and private equity clients on the structuring and arranging of financing for acquisitions, leveraged buyouts, refinancings, and dividend recapitalization. He maintains strong relationships with a wide network of financing sources, enabling him to provide issuers with financing solutions tailored to their specific needs. Ron also co-heads Lincoln International's Valuations and Opinions Group where he is active in providing valuations and fairness opinions to a variety of clients including business development corporations (BDCs), hedge funds, and insurance companies.

Academic Credentials:

Ron earned a Bachelor of Arts degree at the University of Cincinnati.

Past Affiliations:

Prior to joining Lincoln International, Ron spent over 15 years executing corporate finance transactions at Duff & Phelps and Mesirow Financial. Prior to entering the investment banking field, Ron was the Chief Financial Officer of several public companies including Farm House Foods. He started his career in public accounting as an auditor for KPMG LLP.

Industry Experience:

Throughout his career, Ron has worked with manufacturing, distribution, and service companies in a variety of industries. Ron currently serves on the Board of Directors of The Parksite Group and Osterman & Company. Ron's expertise in junior capital has been nationally recognized and, for the past 18 years, he has chaired the leading national conference on mezzanine finance. In addition, he is a regular contributor to peHUB, has authored numerous articles and frequently speaks about raising junior capital.
